PROFILE

Energetic and detail-oriented Java Developer with hands-on experience in microservices, REST APIs, and MySQL. Completed PG Diploma from CDAC Hyderabad and built multiple Java-based backend projects including a custom Mail Transfer Agent. Passionate about clean code, backend engineering, and delivering real-world solutions.

WORK EXPERIENCE

Java Developer 2023 – 2024
SR Infotech Pvt. Ltd Pune, India
- *Developed 3+ microservices for user registration and order processing, reducing manual effort by 40%.*
- *Optimized SQL queries, improving query execution time by 25% for high-traffic modules.*
- *Collaborated in Agile sprints, delivering 100% of tasks on time using Git for version control.*

PROJECTS

Sanchar Mail Transfer Agent 🔗 08/2024 – 09/2024
Developed a Java-based Mini Mail Transfer Agent (MTA) using TCP sockets and SMTP protocol to simulate email sending, handling, and logging between clients and server. Implemented email validation and mailbox storage logic.

Bank Management System 🔗 08/2022 – 01/2023
Developed a Java-based Bank Management System with customer and admin modules, integrated with MySQL using JDBC for secure transactions and account management.

TECHNICAL SKILLS

- **Languages**: Java (Expert), Python (Intermediate), C++ (Intermediate).
- **Frameworks**: Spring Boot, Hibernate, React.js (Basic).
- **Tools**: Git, Docker, MySQL, Apache Tomcat.
- **Operating Systems:** Windows, Linux

EDUCATION

Bachelor of Technology 08/2019 – 09/2023
Maharshi Dayanand University Rohtak, India
Computer Science and Engineering, with a CGPA of 7.5 on a 10-point scale.

CERTIFICATES

- **PG Diploma** in Advanced Computing (DASSD), **CDAC Hyderabad** .
- Qualified **TCS NQT** with a score of **70.67%** – Conducted by **Tata Consultancy Services**.
- **Data Structure and Algorithm , Web Development ,C/C++** from Knowledge Gate(MPH) — 6 - Month Course.

EXTRA CURRICULAR ACTIVITIES

- Trained and mentored students in skating; developed discipline, teamwork, and motivation skills.
- Participated in inter-school/intra-college sports competitions (Skating).
- Volunteered as project team lead during CDAC diploma – managed development workflow and team tasks.
